Sooley-John Grisham 2021-04-27 New York Times bestselling author John Grisham takes you to a different kind of court in his first basketball novel. Samuel "Sooley" Sooleymon is a raw, young talent with big hoop dreams...and even bigger challenges off the court. In the summer of his seventeenth year, Samuel Sooleymon gets the chance of a lifetime: a trip to the United States

with his South Sudanese teammates to play in a showcase basketball tournament. He has never been away from home, nor has he ever been on an airplane. The opportunity to be scouted by dozens of college coaches is a dream come true. Samuel is an amazing athlete, with speed, quickness, and an astonishing vertical leap. The rest of his game, though, needs work, and the American coaches are less than impressed. During the tournament, Samuel receives devastating news from home: A civil war is raging across South

Sudan, and rebel troops have ransacked his village. His father is dead, his sister is missing, and his mother and two younger brothers are in a refugee camp. Samuel desperately wants to go home, but it's just not possible. Partly out of sympathy, the coach of North Carolina Central offers him a scholarship. Samuel moves to Durham, enrolls in classes, joins the team, and prepares to sit out his freshman season. There is plenty of more mature talent and he isn't immediately needed. But Samuel has something no other player has: a fierce determination to succeed so he can bring his family to America. He works tirelessly on his game, shooting baskets every morning at dawn by himself in the gym, and soon he's dominating everyone in practice. With the Central team losing and suffering injury after injury, Sooley, as he is nicknamed, is called off the bench. And the legend begins. But how far can Sooley take his team? And will success allow him to save his family? Gripping and moving, Sooley showcases John Grisham's unparalleled storytelling powers in a whole new light. This is Grisham at the top of

his game.

Deadly Cross-James Patterson 2020-11-23 The murder of a glamorous DC socialite becomes Alex Cross's deadliest case since *Along Came a Spider*. Kay Willingham led a life as glamorous as it was public-she was a gorgeous Georgetown socialite, philanthropist, and the ex-wife of the vice president. So why was she parked in a Bentley convertible idling behind a DC private school, in the middle of the night, with the man who was the head of that school? Who shot them both, point blank, and why? The shocking double homicide is blazed across the internet, TV, newspapers -- and across Alex Cross's mind. Kay had been his patient once. And maybe more. While John Sampson of DC Metro Police investigates the last movements of Christopher Randall, the educator killed along with Kay Willingham, detective Alex Cross and FBI special agent Ned Mahoney find unanswered questions from Willingham's past, before she arrived in DC and became known in DC society as someone

who could make things happen. They travel to Alabama to investigate Kay's early years. There they find a world of trouble, corruption, and secrets, all of them closed to outsiders like Cross and Mahoney. Kay had many enemies, but all of them seemed to need her alive. The harder the investigators push, the more resistance they find when they leave behind the polite law offices and doctors' quarters of the state capital. Alex Cross will need to use all his skills as a doctor, a detective, and a family man to prevent that resistance from turning lethal...again.

The Maze-Nelson DeMille 2021-12-28 #1 New York Times bestselling author Nelson DeMille returns with his best thriller yet featuring former homicide detective John Corey who is called out of retirement to investigate a string of searing, grisly murders that take place a little too close to home. In his dazzling #1 bestseller, Plum Island, Nelson DeMille introduced you to NYPD Homicide Detective John Corey, who we first meet sitting on the back porch of his uncle's

waterfront estate on Long Island, convalescing from wounds incurred in the line of duty. A visit from the local Chief of Police results in the legendary Detective Corey becoming involved in the investigation of the murders of a married couple who were scientists at the top-secret biological research facility on Plum Island. Fast forward through six bestselling John Corey novels and *The Maze* opens with Corey on the same porch, but now in forced retirement from his last job as a Federal Agent with the Diplomatic Surveillance Group. Corey is restless and looking for action, so when his former lover in Plum Island, Detective Beth Penrose, appears with a job offer, Corey has to once again make some decisions about his stalled career--and about reuniting with Beth Penrose. Inspired by, and based on the actual and still unsolved Gilgo Beach murders, *The Maze* takes you on a dangerous hunt for an apparent serial killer who has murdered nine--and maybe more--prostitutes and hidden their bodies in the thick undergrowth on a lonely stretch of beach. As Corey digs deeper into this case, which has made national

news, he comes to suspect that the failure of the local police to solve this sensational case may not be a result of their inexperience and incompetence—it may be something else. Something more sinister. The Maze features John Corey's politically incorrect humor, matched by his brilliant and unorthodox investigative skills along with the surprising and shocking plot twists that are the trademark of the #1 New York Times bestselling author, Nelson DeMille.

When Truth Is All You Have-Jim McCloskey
2020-07-14 "A riveting and infuriating examination of criminal prosecutions, revealing how easy it is to convict the wrong person and how nearly impossible it is to undo the error."
—Washington Post "No one has illuminated this problem more thoughtfully and persistently."
—Bryan Stevenson, author of *Just Mercy*
Jim McCloskey was at a midlife crossroads when he met the man who would change his life. A former management consultant, McCloskey had grown disenchanted with the business world; he enrolled at Princeton Theological Seminary at the age of 37. His first assignment, in 1980, was as a

chaplain at Trenton State Prison. Among the inmates was Jorge de los Santos, a heroin addict who'd been convicted of murder years earlier. He swore to McCloskey that he was innocent—and, over time, McCloskey came to believe him. With no legal or investigative training to speak of, McCloskey threw himself into the case. Two years later, thanks to those efforts, Jorge de los Santos walked free, fully exonerated. McCloskey had found his calling. He established Centurion Ministries, the first group in America devoted to overturning wrongful convictions. Together with his staff and a team of forensic experts, lawyers, and volunteers—through tireless investigation and an unflinching dedication to justice—Centurion has freed 65 innocent prisoners who had been sentenced to life or death. *When Truth Is All You Have* is Jim McCloskey's inspirational story, as well as those of the unjustly imprisoned for whom he has fought. Spanning the nation, it is a chronicle of faith and doubt; of triumphant success and shattering failure. It candidly exposes a life of searching and struggle, uplifted by McCloskey's

certainty that he had found what he was put on earth to do. Filled with generosity, humor, and compassion, it is the soul-bearing account of a man who has redeemed innumerable lives—and incited a movement—with nothing more than his unshakeable belief in the truth.

Deadline-John Sandford 2014-10-09 From the Pulitzer Prize-winning author comes a brand new Virgil Flowers thriller that will keep you gripped until the very last page. "Barns, the chairman, looked around the room and said, 'Okay. We can do this. Let's see a show of hands. It's unanimous, or it's prison. Do we kill Clancy Conley?' "They all looked around at each other, each of them reluctant to go first. Then the fat man raised his hand, and then Kerns, and then the rest of them. "'It's unanimous,' Barns said." In southeast Minnesota, down on the Mississippi, a school board meeting is coming to an end. The board chairman announces that the rest of the

meeting will be closed, due to personnel issues. "Issues" is correct. The proposal up for a vote before them is whether to authorize the killing of a local reporter. There are no votes against. Meanwhile, not far away, Virgil Flowers is helping out a friend by looking into a dognapping, which seems to be turning into something much bigger and uglier -- a team of dognappers supplying medical labs -- when he gets a call from Lucas Davenport. A murdered body has been found -- and the victim is a local reporter...

The Reckoning-John Grisham 2019-06-18 #1 bestselling author John Grisham's *The Reckoning* is his most powerful, surprising, and suspenseful thriller yet. "A murder mystery, a courtroom drama, a family saga . . . *The Reckoning* is Grisham's argument that he's not just a boilerplate thriller writer. Most jurors will think the counselor has made his case."--USA Today October 1946, Clanton, Mississippi Pete Banning was Clanton, Mississippi's favorite son--a

decorated World War II hero, the patriarch of a prominent family, a farmer, father, neighbor, and a faithful member of the Methodist church. Then one cool October morning he rose early, drove into town, and committed a shocking crime. Pete's only statement about it--to the sheriff, to his lawyers, to the judge, to the jury, and to his family--was: "I have nothing to say." He was not afraid of death and was willing to take his motive to the grave. In a major novel unlike anything he has written before, John Grisham takes us on an incredible journey, from the Jim Crow South to the jungles of the Philippines during World War II; from an insane asylum filled with secrets to the Clanton courtroom where Pete's defense attorney tries desperately to save him. Reminiscent of the finest tradition of Southern Gothic storytelling, *The Reckoning* would not be complete without Grisham's signature layers of legal suspense, and he delivers on every page. Praise for *The Reckoning* "The quest for justice is only the beginning in this Southern family saga. . . [Grisham] does so much more this time around."--Akron Beacon Journal "John Grisham is

not only the master of suspense but also an acute observer of the human condition. And these remarkable skills converge in *The Reckoning*--an original, gripping, penetrating novel that may be his greatest work yet."--David Grann, New York Times bestselling author of *Killers of the Flower Moon* "John Grisham is the master of legal fiction, and his latest starts with a literal bang -- and then travels backward through the horrors of war to explore what makes a hero, what makes a villain, and how thin the line between the two might be."--Jodi Picoult, #1 New York Times bestselling author of *A Spark of Light* and *Small Great Things*

The King of Torts--John Grisham 2012 Washed-up public defender Clay Carter's latest case, a routine street killing, takes an unexpected turn when he discovers evidence of a conspiracy involving a large drug company and a lawsuit with a huge potential settlement. Reprint. 35,000 first printing.

The Unwilling-John Hart 2021-02-02 "We the unwilling, led by the unqualified to kill the unfortunate, die for the ungrateful." —Unknown Soldier Set in the South at the height of the Vietnam War, *The Unwilling* combines crime, suspense and searing glimpses into the human mind and soul in New York Times bestselling author John Hart's singular style. Gibby's older

brothers have already been to war. One died there. The other came back misunderstood and hard, a decorated killer now freshly released from a three-year stint in prison. Jason won't speak of the war or of his time behind bars, but he wants a relationship with the younger brother he hasn't known for years. Determined to make that connection, he coaxes Gibby into a day at the lake: long hours of sunshine and whisky and older women. But the day turns ugly when the four encounter a prison transfer bus on a stretch of empty road. Beautiful but drunk, one of the women taunts the prisoners, leading to a riot on the bus. The woman finds it funny in the moment, but is savagely murdered soon after. Given his violent history, suspicion turns first to Jason; but when the second woman is kidnapped, the police suspect Gibby, too. Determined to prove Jason innocent, Gibby must avoid the cops and dive deep into his brother's hidden life, a dark world of heroin, guns and outlaw motorcycle gangs. What he discovers there is a truth more disturbing than he could have imagined: not just the identity of the killer and the reasons for

Tyra's murder, but the forces that shaped his brother in Vietnam, the reason he was framed, and why the most dangerous man alive wants him back in prison. This is crime fiction at its most raw, an exploration of family and the past, of prison and war and the indelible marks they leave.

—Publishers Weekly, starred review For anyone who loves Cajun food or is interested in American cooking or wants to discover a distinct and engaging new female voice—or just wants to make the very best duck gumbo, shrimp jambalaya, she-crab soup, crawfish étouffée, smothered chicken, fried okra, oyster bisque, and sweet potato pie—comes Mosquito Supper Club. Named after her restaurant in New Orleans, chef Melissa M. Martin's debut cookbook shares her inspired and reverent interpretations of the traditional Cajun recipes she grew up eating on the Louisiana bayou, with a generous helping of stories about her community and its cooking. Every hour, Louisiana loses a football field's worth of land to the Gulf of Mexico. Too soon, Martin's hometown of Chauvin will be gone, along with the way of life it sustained. Before it disappears, Martin wants to document and share the recipes, ingredients, and customs of the Cajun people. Illustrated throughout with dazzling color photographs of food and place, the book is divided into chapters by ingredient—from shrimp and oysters to poultry, rice, and

sugarcane. Each begins with an essay explaining the ingredient and its context, including traditions like putting up blackberries each February, shrimping every August, and the many ways to make an authentic Cajun gumbo. Martin is a gifted cook who brings a female perspective to a world we've only heard about from men. The stories she tells come straight from her own life, and yet in this age of climate change and erasure of local cultures, they feel universal, moving, and urgent.
