An all too parochial pandemic story - CapX

May 18, 2021 · Lewis’s latest book, The Premonition: A Pandemic Story, is in the same mould. This time, the heroes are a group of American public health bureaucrats and epidemiologists, and, as the book’s title suggests, Lewis affords them almost supernatural foresight when it comes to spotting the gravity of Covid-19.

Michael Lewis | The Official Website

THE PREMONITION. For those who could read between the lines, the censored news out of China was terrifying. But the president insisted there was nothing to worry about. Fortunately, we are still a nation of skeptics. Fortunately, there are those among us who study pandemics and are willing to look unflinchingly at worst-case scenarios.
