At the Edge of the Haight-Katherine Seligman 2021-01-19 The 10th Winner of the 2019 PEN/Bellwether Prize for Socially Engaged Fiction, Awarded by Barbara Kingsolver “What a read this is, right from its startling opening scene. But even more than plot, it’s the richly layered details that drive home a lightning bolt of empathy. To read At the Edge of the Haight is to live inside the everyday terror and longings of a world that most of us manage not to see, even if we walk past it on sidewalks every day. At a time when more Americans than ever find themselves at the edge of homelessness, this book couldn’t be more timely.” —Barbara Kingsolver, author of Unsheltered and The Poisonwood Bible Maddy Donaldo, homeless at twenty, has made a family of sorts in the dangerous spaces of San Francisco’s Golden Gate Park. She knows whom to trust, where to eat, when to move locations, and how to take care of her dog. It’s the only home she has. When she unwittingly witnesses the murder of a young homeless boy and is seen by the perpetrator, her relatively stable life is upended. Suddenly, everyone from the police to talk to Maddy about what she saw. As adults pressure her to give up her secrets and reunite with her own family before she meets a similar fate, Maddy must decide whether she wants to stay lost or be found. Against the backdrop of a radically changing San Francisco, a city which embraces a booming tech economy while struggling to maintain its culture of tolerance, At the Edge of the Haight follows the lives of those who depend on makeshift homes and communities. As judge Hillary Jordan says, “This book pulled me deep into a world I knew little about, bringing the struggles of its young, homeless inhabitants—the kind of people we avoid eye contact with on the street—to vivid, poignant life. The novel demands that you take a close look. If you knew, could you still ignore, fear, or condemn them? And knowing, how can you ever forget?”

2034-Elliot Ackerman 2021 From two former military officers and award-winning authors, a chillingly authentic geopolitical thriller that imagines a naval clash between the US and China in the South China Sea in 2034—and the path from there to a nightmarish global conflagration. On March 12, 2034, US Navy Commodore Sarah Hunt is on the bridge of her flagship, the guided missile destroyer USS John Paul Jones, conducting a routine freedom of navigation patrol in the South China Sea when her ship detects an unflagged trawler in clear distress, smoke billowing from its bridge. On that same day, US Marine aviator Major Chris “Wedge” Mitchell is flying an F35E Lightning over the Strait of Hormuz, testing a new stealth technology as he flirts with Iranian airspace. By the end of that day, Wedge will be an Iranian prisoner, and Sarah Hunt’s destroyer will lie at the bottom of the sea, sunk by the Chinese Navy. Iran and China have clearly coordinated their moves, which involve the use of powerful new forms of cyber weaponry that render US ships and bases defenseless. In a single day, America’s faith in its military’s strategic pre-eminence is in tatters. A new, terrifying era is at hand. So begins a disturbingly plausible work of speculative fiction, co-authored by an award-winning novelist and decorated Marine veteran and the former commander of NATO, a legendary admiral who has spent much of his career strategically outmaneuvering America’s most tenacious adversaries. Written with a powerful blend of geopolitical sophistication and human empathy, 2034 takes us inside the minds of a global cast of characters—Americans, Chinese, Iranians, Russians, Indians—as a series of arrogant miscalculations on all sides leads the world into an intensifying international storm. In the end, China and the United States will have paid a staggering cost, one that forever alters the global balance of power. Everything in 2034 is an imaginative extrapolation from present-day facts on the ground combined with the authors’ years working at the highest and most classified levels of national security. Sometimes it takes a brilliant work of fiction to illuminate the most dire of warnings: 2034 is all too close at hand, and this cautionary tale presents the reader a dark yet possible future that we must do all we can to avoid.

Make Me Rain-Nikki Giovanni 2020-10-20 One of America’s most celebrated poets challenges us with this powerful and deeply personal collection of verse that speaks to the injustices of society while illuminating the depths of her own heart. For more than thirty years, Nikki Giovanni’s poetry has inspired, enlightened, and dazzled readers. As sharp and outspoken as ever, this artist long hailed as a healer and a sage returns with this profound book of poetry in which she continues to call attention to injustice and give readers an unfiltered look into the most private parts of herself. In Make Me Rain, she celebrates her loved ones and unapologetically declares her pride in her black heritage, while exploring the enduring impact of the twin sins of racism and white nationalism. Giovanni reaffirms her place as a uniquely vibrant and relevant American voice with poems such as “I Come from Athletes” and “Rainy Days”—calling out segregation and Donald Trump; as well as “Unloved (for Aunt Cleota)” and ““When I Could No Longer”—her personal elegy for the relatives who saved her from an abusive home life. Stirring, provocative, and resonant, the poems in Make Me Rain pierce the heart and nourish the soul.

World of Wonders-Aimee Nezhukumatathil 2020-09-08 From beloved, award-winning poet Aimee Nezhukumatathil comes a debut work of nonfiction—a collection of essays about the natural world, and the way its inhabitants can teach, support, and inspire us. As a child, Nezhukumatathil called many places home: the grounds of a Kansas mental institution, where her Filipina mother was a doctor; the open skies and tall mountains of Arizona, where she hiked with her Indian father; and the chillier climes of western New York and Ohio. But no matter where she was transplanted—no matter how awkward the fit or forbidding the landscape—she was able to turn to our world’s fierce and funny creatures for guidance. “What the peacock can do,” she tells us, “is remind you of a home you will run away from and run back to all your life.” The axolotl teaches us to smile, even in the face of unkindness; the touch-me-not plant shows us how to shake off unwanted advances; the narwhal demonstrates how to survive in hostile environments. Even in the strange and the unlovely, Nezhukumatathil finds beauty and kinship. For it is this way with wonder: it requires that we are curious enough to look past the distractions in order to fully appreciate the world’s gifts. Warm, lyrical, and gorgeously illustrated by Fumi Nakamura, World of Wonders is a book of sustenance and joy.

All In-Billie Jean King 2021-08-17 An inspiring and intimate self-portrait of the champion of equality that encompasses her brilliant tennis career, unwavering activism, and an ongoing commitment to fairness and social justice. In this spirited account, Billie Jean King details her life’s journey to find her true self. She recounts her groundbreaking tennis career—six years as the top-ranked woman in the world, twenty Wimbledon championships, thirty-nine grand-slam titles, and her watershed defeat of Bobby Riggs in the famous “Battle of the Sexes.” She poignantly recalls the cultural backdrop of those years and the profound impact on her worldview from the women’s movement, the assassinations and anti-war protests of the 1960s, the civil rights movement, and, eventually, the LGBTQ+ rights movement. She describes the myriad challenges she’s hurdled—entrenched sexism, an eating disorder, near financial ruin after being outed—on her path to publicly and unequivocally acknowledging her sexual identity at the age of fifty-one. And she talks about how her life today remains one of indefatigable service. She offers insights and advice on leadership, business, activism, sports, politics, marriage equality, parenting, sexuality, and love. She shows how living honestly and openly has had a transformative effect on her relationships and happiness. Hers is the story of a pathbreaking feminist, a world-class athlete, and an indomitable spirit whose impact has transcended even her spectacular achievements in sports.

American Melancholy-Joyce Carol Oates 2021-02-09 A new collection of poetry from an American literary legend, her first in twenty-five years Joyce Carol Oates is one of our most insightful observers of the human heart and mind, and, with her acute social consciousness, one of the most insistent and inspired witnesses of a shared American history. Oates is perhaps best known for her prodigious output of novels and short stories, many of which have become contemporary classics. However, Oates has also always been a faithful writer of poetry. American Melancholy showcases some of her finest work of the last few decades. Covering subjects big and small, and written in an immediate and engaging style, this collection touches on both the personal and political. Loss, love, and memory are investigated, along with the upheavals of our modern age, the reality of our current predicaments, and the ravages of poverty, racism, and social unrest. Oates skillfully writes characters ranging from a former doctor at a Chinese People’s Liberation Army hospital to Little Albert, a six-month-old infant who took part in a famous study that revealed evidence of classical conditioning in human beings.

Enter thirtyish Liam Kane, newly divorced, newly unemployed, newly arrived in this small northern town, where he promptly moves into the house next door—watched suspiciously by astonished and dismayed Clara, whose elderly friend, Mrs. Orchard, owns that home. As the novel unfolds, so does the mystery of what has transpired between Mrs Orchard and the newly arrived stranger. Told through three distinct, compelling points of view—Clara’s, Mrs. Orchard’s, and Liam Kane’s—the novel cuts back and forth among these unforgettable characters to uncover the layers of grief, remorse, and love that connect families, both the ones we’re born into and the ones we choose. A Town Called Solace is a masterful, suspenseful and deeply humane novel by one of our great storytellers.

How to Love a Country-Richard Blanco 2019 A new collection from the renowned inaugural poet exploring immigration, gun violence, racism, LGBTQ issues, and more, in accessible and emotive verses As presidential inaugural poet, memoirist, public speaker, educator, and advocate, Richard Blanco has crisscrossed the nation inviting communities to connect to the heart of human experience and our shared identity as a country. In this new collection of poems, his first in over seven years, Blanco continues to invite a conversation with all Americans. Through an oracular yet intimate and accessible voice, he addresses the complexities and contradictions of our nationhood and the unresolved sociopolitical matters that affect us all. The poems form a mosaic of seemingly varied topics: the Pulse Nightclub massacre, an unexpected encounter on a visit to Cuba; the forced exile of 8,500 Navajos in 1868; a lynching in Alabama; the arrival of a young Chinese woman at Angel Island in 1938; the incarceration of a gifted writer; and the poet’s abiding love for his partner, who he is finally allowed to wed as a gay man. But despite each poem’s unique concern or occasion, all are fundamentally struggling with the overwhelming question of how to love this country. Seeking answers, Blanco digs deep into the very marrow of our nation through poems that interrogate our past and present, grieve our injustices, and note our flaws, but also remember to celebrate our ideals and cling to our hopes. In the landmark poem “American Wandersong,” which forms the center of the book, the poet reveals himself to readers in a disarming and kinetic sequence of stanzas, striving to find his place amid the physical and emotional landscapes of our country. Through this groundbreaking volume, Blanco unravels the very fabric of the American narrative and pursues a resolution to the inherent contradiction of our nation’s psyche and mandate: e pluribus unum (out of many, one). Charged with the utopian idea that no single narrative is more important than another, this book asserts that America could and ought someday to be a country where all narratives converge into one, a country we can all be proud to love and where we can all truly thrive.

The Night Always Comes-Willy Vlautin 2021-04-06 Award-winning author Willy Vlautin explores the impact of trickle-down greed and opportunism of gentrification on ordinary lives in this scorching novel that captures the plight of a young woman pushed to the edge as she fights to secure a stable future for herself and her family. Barely thirty, Lynette is exhausted. Saddled with bad credit and juggling multiple jobs, some illegally, she’s been diligently working to buy the house she lives in with her mother and developmentally disabled brother Kenny. Portland’s housing prices have nearly quadrupled in fifteen years, and the owner is giving them a good deal. Lynette knows it’s their last best chance to own their own home—and obtain the security they’ve never had. While she has enough for the down payment, she needs her mother to cover the rest of the asking price. But a week before they’re set to sign the loan papers, her mother gets cold feet and reneges on her promise, pushing Lynette to her limits to find the money they need. Set over two days and two nights, The Night Always Comes follows Lynette’s frantic search—an odyssey of hope and anguish that will bring her face to face with greedy rich men and ambitious hustlers, those benefiting and those left behind by a city in the throes of a transformative boom. As her desperation builds and her pleas for help go unanswered, Lynette makes a dangerous choice that sets her on a precarious, frenzied spiral. In trying to save her family’s future, she is plunged into the darkness of her past, and forced to confront the reality of her life. A heart wrenching portrait of a woman hungry for security and a home in a rapidly changing city, The Night Always Comes raises the difficult questions we are often too afraid to ask ourselves: What is the price of gentrification, and how far are we really prepared to go to achieve the American Dream? Is the American dream even attainable for those living at the edges? Or for too many of us, is it only a hollow promise?

Northern Spy-Flynn Berry 2021 "A producer at the Belfast bureau of the BBC, Tessa is at work one day when the news of another raid comes on the air. The IRA may have gone underground after the Good Friday agreement, but they never really went away, and lately, bomb threats, arms drops, and helicopters floating ominously over the city have become features of everyday life. As the anchor requests the public’s help in locating those responsible for this latest raid—a robbery at a gas station—Tessa’s sister appears on the screen. Tessa watches in shock as Marian pulls a black mask over her face. The police believe Marian has joined the IRA, but Tessa knows this is impossible. They were raised to oppose Republicanism, and the violence enacted in its name. They’ve attended peace vigils together. And besides, Marian is vacationing by the sea. Tessa just spoke to her yesterday. When the truth of what has happened to Marian reveals itself, Tessa will be forced to choose: between her ideals and her family, between bystanderism and action. Walking an increasingly perilous road, she fears nothing more than endangering the one person she loves more fiercely than her sister: her infant son. A riveting and exquisite novel about family, terror, motherhood, betrayal, and the staggering human costs of an intractable conflict"--

The Essex Serpent-Sarah Perry 2017-06-06 A Kirkus Review Best Book of 2017 and a Washington Post Notable Work of Fiction. Winner of the British Book Awards Fiction Book of the Year and overall Book of the Year, selected as the Waterstones Book of the Year, and a Costa Book Award Finalist "A novel of almost insolent ambition—lush and fantastical, a wild Eden behind a garden gate...it’s part ghost story and part natural history lesson, part romance and part feminist parable. I found it so transporting that 48 hours after completing it, I was still resentful to be back home." -New York Times "An irresistible new novel...the most delightful heroine since Elizabeth Bennet in Pride and Prejudice...By the end, The Essex Serpent identifies a mystery far greater than some creature ‘from the illuminated margins of a manuscript’: friendship." -Washington Post "Richly enjoyable... Ms. Perry writes beautifully and sometimes agreeably sharply... The Essex Serpent is a wonderfully satisfying novel. Ford Madox Ford thought the glory of the novel was its ability to make the reader think and feel at the same time. This one does just that." -Wall Street Journal An exquisitely talented young British author makes her American debut with this rapturously acclaimed historical novel, set in late nineteenth-century England, about an intellectually minded young widow, a pious vicar, and a rumored mythical serpent that explores questions about science and religion, skepticism, and faith, independence and love. When Cora Seaborne’s brilliant, domineering husband dies, she steps into her new life as a widow with as much relief as sadness: her marriage was not a happy one. Wed at nineteen, this woman of exceptional intelligence and curiosity was ill-suited for the role of society wife. Seeking refuge in fresh air and open space in the wake of the funeral, Cora leaves London for a visit to coastal Essex, accompanied by her inquisitive and obsessive eleven-year old son, Francis, and the boy’s nanny, Martha, her fiercely protective friend. While admiring the sites, Cora learns of an intriguing rumor that has arisen further up the estuary, of a fearsome creature said to roam the marshes claiming human lives. After nearly 300 years, the mythical Essex Serpent is said to have returned, taking the life of a young man on New Year’s Eve. A keen amateur naturalist with no patience for religion or superstition, Cora is immediately enthralled, and certain that what the local people think is a magical sea beast may be a previously undiscovered species. Eager to investigate, she is introduced to local vicar William Ransome. Will, too, is suspicious of the rumors. But unlike Cora, this man of faith is convinced the rumors are caused by moral panic, a flight from true belief. These seeming opposites who agree on nothing soon find themselves inexorably drawn together and torn apart—an intense

relationship that will change both of their lives in ways entirely unexpected. Hailed by Sarah Waters as "a work of great intelligence and charm, by a hugely talented author," The Essex Serpent is "irresistible . . . you can feel the influences of Mary Shelley, Bram Stoker, Wilkie Collins, Charles Dickens, and Hilary Mantel channeled by Perry in some sort of Victorian séance. This is the best new novel I've read in years" (Daily Telegraph).

Summer on the Bluffs-Sunny Hostin 2021-05-04 Emmy Award winner, renowned lawyer and journalist, The View cohost, and National Bestselling author Sunny Hostin dazzles with this brilliant novel about a life-changing summer along the beaches of Martha's Vineyard. Welcome to Oak Bluffs, the most exclusive black beach community in the country. Known for its gingerbread Victorian-style houses and modern architectural marvels, this picturesque town hugging the sea is a mecca for the crème de la crème of black society—where Michelle and Barack Obama vacation and Meghan Markle has shopped for a house for her mom. Black people have lived in this pretty slip of the Vineyard since the 1600s and began buying property in the 1800s, making this posh town the embodiment of “old money.” Thirty years ago, Amelia Vaux Tanner and her husband built a house high on the bluffs, a cottage they named Chateau Laveau. For decades, “Ama” played host to American presidents, Wall Street titans, and cultural icons. But her favorite guests have always been her three “goddaughters:” Esperanza “Perry” Soto, a beautiful, talented Afro-Latina lawyer with Ama’s strong, yet guarded personality; Olivia Jones, a gifted Wall Street analyst with Ama’s brilliant, logical mind; and Billie Hayden, a gifted marine biologist and rule-breaker with Ama’s courageous free spirit. Growing up, these three goddaughters from different backgrounds came together each summer at Chateau Laveau. As adults, the cottage is a place this trio of successful yet very different women go to escape, to slow down from their hectic lives, share private time with Ama, and enjoy the gorgeous weather, cool water, and stunning views Oak Bluffs offers. This summer on the Bluffs, however, will be different. An era is ending: Ama, now nearing seventy-one, is moving to the south of France to reunite with her college sweetheart. She has invited Perry, Olivia, and Billy to spend one last golden summer together with her the way they did when they were kids. And when fall comes, she is going to give the house to one of them. Each of the women wants the house desperately. Each is grappling with a secret she fears will hurt her and her chances. By the end of summer, old ties will fray, new bonds will be created, and these three found sisters will discover they aren’t the only ones with something to hide. Ama has a few secrets of her own. What she has to give them is far more than property. Between Memorial Day and Labor Day, she will tell these surrogate daughters she fiercely loves and protects everything they never knew they needed to know.

Lurkers-Sandi Tan 2021-03-30 From author and filmmaker Sandi Tan, director of the acclaimed documentary Shirkers, comes a novel about a neighborhood of immigrants, seekers, lovers, and lurkers. The residents of Santa Claus Lane do their best to stay out of each other’s way, but desire, fury and mischief too often propel these suburban neighbors to collide. Precocious Korean American sisters Mira and Rosemary find their world rocked by a suicide, and they must fight to keep their home; a charismatic and creepy drama teacher grooms his students; a sardonic gay horror novelist finds that aging is more terrifying than any monster; and a white hippie mom and her adopted Vietnamese daughter realize that their anger binds them rather than pushes them apart. Lurkers is an homage to the rangy beauty of Los Angeles and the surprising power that we have to change the lives of those around us.

Splinters Are Children of Wood-Leia Penina Wilson 2019-09-30 The wildly unrestrained poems in Splinters Are Children of Wood, Leia Penina Wilson's second collection and winner of the Ernest Sandeen Prize in Poetry, pose an increasingly desperate question about what it means to be a girl, the ways girls are shaped by the world, as well as the role myth plays in this coming of age quest. Wilson, an afakasi Samoan poet, divides the book into three sections, linking the poems in each section by titles. In this way the poems act as a continuous song, an ode, or a lament revivifying a narrative that refuses to adopt a storyline. Samoan myths and Western stories punctuate this volume in a search to reconcile identity and education. The lyrical declaration is at once an admiration of love and self-loathing. She kills herself. Resurrects herself. Kills herself again. She is also killed by the world. Resurrected. Killed again. These poems map displacement, discontent, and an increasing suspicion of the world itself, or the ways people learn the world. Drawing on the work of Bhanu Kapil, Anne Waldman, Alice Notley, and Mei-mei Berssenbrugge, Wilson's poems reveal familiarity and strangeness, invocation and accusation. Both ritual and ruination, the poems return again and again to desire, myth, the sacred, and body

The Essential Ginsberg-Allen Ginsberg 2015-05-26 Featuring the legendary and groundbreaking poem "Howl," this remarkable volume showcases a selection of Allen Ginsberg’s poems, songs, essays, letters, journals, and interviews and contains sixteen pages of his personal photographs. One of the Beat Generation’s most renowned poets and writers, Allen Ginsberg became internationally famous not only for his published works but for his actions as a human rights activist who championed the sexual revolution, human rights, gay liberation, Buddhism and eastern religion, and the confrontation of societal norms—all before it became fashionable to do so. He was also the dynamic leader of war protesters, artists, Flower Power hippies, musicians, punks, and political radicals. The Essential Ginsberg collects a mosaic of materials that displays the full range of Ginsberg’s mental landscape. His most important poems, songs, essays, letters, journals, and interviews are displayed in chronological order. His poetic masterpieces, “Howl” and “Kaddish,” are presented here along with lesser-known and difficult to find songs and prose. Personal correspondence with William Burroughs and Jack Kerouac is included as well as photographs—shot and captioned by Ginsberg himself—of his friends and fellow rogues William Burroughs, Neal Cassady, and more. Through his essays, journals, interviews, and letters, this definitive volume will inspire readers to delve deeper into a body of work that remains one of the most impressive literary canons in American history.
