I Hate School - Cynthia Ulrich Tobias 2010-08-03 Includes tips for home schoolers. What do you do when your child hates school? When little Sarah cries herself to sleep at night, when Johnny has tummy aches in the morning, something is clearly wrong. An occasional problem at school is one thing. But what do you do when school is the problem? When your child hates school because school doesn’t like your child, you’ve got to act. Don’t let a one-size-fits-all educational system steal the joys and riches of learning from your son or daughter. Your child is unique, with a personal learning style that needs to be understood and respected. In this groundbreaking book, learning expert Cynthia Ulrich Tobias shows how you can work with your child’s school and teachers to tailor an education your child will love, not hate. Here are practical ways to craft an approach that draws out your son or daughter’s giftedness and minimizes the things that frustrate. Filled with practical applications and insights as commonsense as they are revolutionary, I Hate School includes a Learning Styles Profile Summary on which to base your plans and actions. So don’t waste time. Today, starting now, you can take steps toward an education for your child that will replace the words “I hate school” with “Is it time to go to school yet?”

How Not to Hate Your Husband After Kids-Jancee Dunn 2017-03-21 A hilariously candid account of one woman's quest to bring her post-baby marriage back from the brink, with life-changing, real-world advice. "Get this for your pregnant friends, or yourself." --People Recommended by Nicole Cliffe in Slate Featured in People Picks A Red Tricycle Best Baby and Toddler Parenting Book of the year One of Mother magazine's favorite parenting books of the year How Not To Hate Your Husband After Kids tackles the last taboo subject of parenthood: the startling, white-hot fury that new (and not-so-new) mothers often have for their mates. After
Jancee Dunn had her baby, she found that she was doing virtually all the household chores, even though she and her husband worked equal hours. She asked herself: How did I become the 'expert' at changing a diaper? Many expectant parents spend weeks researching the best crib or safest car seat, but spend little if any time thinking about the titanic impact the baby will have on their marriage - and the way their marriage will affect their child. Enter Dunn, her well-meaning but blithely unhelpful husband, their daughter, and her boisterous extended family, who show us the ways in which outmoded family patterns and traditions thwart the overworked, overloaded parents of today. On the brink of marital Armageddon, Dunn plunges into the latest relationship research, solicits the counsel of the country's most renowned couples' and sex therapists, canvasses fellow parents, and even consults an FBI hostage negotiator on how to effectively contain an "explosive situation." Instead of having the same fights over and over, Dunn and her husband must figure out a way to resolve their larger issues and fix their family while there is still time. As they discover, adding a demanding new person to your relationship means you have to reevaluate--and rebuild--your marriage. In an exhilarating twist, they work together to save the day, happily returning to the kind of peaceful life they previously thought was the sole province of couples without children. Part memoir, part self-help book with actionable and achievable advice, How Not To Hate Your Husband After Kids is an eye-opening look at how the man who got you into this position in this first place is the ally you didn't know you had.

**How and why Children Hate**

-Ved P. Varma

1993-01-01 We all hate from time to time, but children hate more than adults. The contributors to this book discuss how to recognise and handle hatred in a practical way. Their different perspectives enable the reader to obtain a
comprehensive picture of available models and management approaches to children's primitive hatred.

**I Hate Other People's Kids**-Adrianne Frost 2008 Oh, the blasphemy! You're not supposed to hate children! They're adorable ... aren't they? Well, it's said that children are the greatest gift of all. But that doesn't mean you want to be seated next to one on a plane, does it? For the first time, Adrianne Frost lifts the lid on one of our last taboos, and reveals that not all kids are likeable. In fact some are positively crying out to be hated. In this hilarious handbook she guides you through all you need to know about hating Other People's Kids through history, categorising subspecies of brat and turning the tables on tearaways without appearing childish yourself. Learn to navigate kids in public places, and discover all the things parents like to think are cute about their kids, but are not. And what will you have learned when you come to the end of Frost's rant? That there's a lot more to hate than you first thought.

Lauren J. Behrman
2018-05-01 Hate your ex but love your kids? If so, this much-needed guide offers practical tips and strategies to help you manage intense emotions, deal with shame and blame, and create a peaceful, loving environment for your children. Let’s face it—divorce is tough. In a high-conflict divorce, your ex may attempt to undermine your relationship with your children, blame you for the failed marriage, and be hostile toward you in general. Unfortunately, this negativity can affect your kids, too. You need to break the cycle of rage and conflict now, for their sake. This book can help. Loving Your Children More Than You Hate Each Other offers powerful skills based in dialectical behavior therapy (DBT) and values-based parenting to help you both take control of your emotions. You’ll get tools to help you identify cycles of conflict, as well as strategies for breaking these cycles before they get out of hand. You’ll also learn strategies to effectively communicate with one another and your children in a way that is healthy and productive. If you’re going through a high-conflict divorce, you need real tools to help you manage the pain and anger that can follow. This book will show you the skills you need to go from ex to co-parent, and start rebuilding your—and your child’s—life.

**Why Kids Love (and Hate) School**
Steven P. Jones
2018-06-30 This collection consists of theoretical discussions, personal reflections, research reports, and policy suggestions sourced in the experiences of our most vulnerable students with an eye to making schools places all students might love rather than hate. The essays take up these issues from the perspectives of poverty, gender, race, ethnicity,
ability, language, and religion among others. These essays also provide practical advice for teachers and administrators—both practicing and pre-service—for making classrooms and schools spaces that would encourage our students to say, “I love school.”

How to Raise Kids Who Won't Hate You - Alan Thicke 2009 A popular television celebrity father shares recommendations for maximizing a parent's chances of raising children who do not hold the prior generation responsible for their grievances, in a guide that covers a wide range of topics from homework and unrequited love to dead pets and peer pressure.

How to Love Your Kids More Than You Hate Your Ex - Helen Fried 2014-11-25 Break-ups or divorce usually mean complete separation, but for those with kids, this is rarely ever the case. As parents battle where the children live and share out holiday times as well as navigating the tricky area of step parents, conflict can easily emerge. However it is vital for children not to be caught in the middle of this and for their life to remain as stable as possible. By focusing on your children rather than dwelling on what your partner has done to cause a separation, parents can make sure a separation remains healthy.

The Giving Tree - Shel Silverstein 2014-02-18 As The Giving Tree turns fifty, this timeless classic is available for the first time ever in ebook format. This digital edition allows young readers and lifelong fans to continue the legacy and love of a household classic that will now reach an even wider audience. Since it was first published fifty years ago, Shel Silverstein's poignant picture book for readers of all ages has offered a touching interpretation of the gift of giving and a serene
acceptance of another's capacity to love in return. Shel Silverstein's incomparable career as a bestselling children's book author and illustrator began with Lafcadio, the Lion Who Shot Back. He is also the creator of picture books including A Giraffe and a Half, Who Wants a Cheap Rhinoceros?, The Missing Piece, The Missing Piece Meets the Big O, and the perennial favorite The Giving Tree, and of classic poetry collections such as Where the Sidewalk Ends, A Light in the Attic, Falling Up, Every Thing On It, Don't Bump the Glump!, and Runny Babbit. And don't miss these other Shel Silverstein ebooks, Where the Sidewalk Ends, and A Light in the Attic!

**Hate Mail**-Monique Polak 2014-09-01 Jordie’s cousin Todd has moved back to Montreal and is attending Jordie’s high school. Todd has autism and requires an aide. Todd has not been welcomed in the school. He’s known as a freak, and even other parents seem to resent Todd’s special needs. Jordie does everything he can to distance himself from his cousin, fearful of what his friends might think. When he learns that Todd’s whole family is buckling under the pressure of a hateful letter, Jordie starts to question his own behavior. But Todd’s resources are unique, and he soon finds a way to prove his worth to his peers and to the community at large. Inspired by real-life events, Hate Mail examines the transformative power of speaking out against prejudice.

**Raising the Kid You Love with the Ex You Hate**-Edward Farber 2013 Dr. Farber, a child psychologist on the clinical faculty of the George Washington University School of medicine, offers powerful advice for you and your ex-spouse on how to reduce conflict and protect your children's well-being by co-parenting.

**Helping Children Locked in Rage Or Hate**-Margot Sunderland 2003 This is a guidebook to help children
who: hurt, hit, bite, smash, kick, shout, scream or who are out of control, hyperaroused or hyperactive; can only discharge their angry feelings in verbal or physical attacks, rather than being able to think about and reflect on what they feel; are angry because it is easier than feeling hurt or sad; are locked in anger or rage because of sibling rivalry; are controlling and punitive; regularly defy authority or are diagnosed with a conduct disorder; commit cold acts of cruelty, hurt animals or do not cry any more; spoil, damage or destroy what others do or make; create fear in others because they have locked away their own fears; do not want to please people, cannot trust, have stopped looking for love or approval or truly believe they do not need anyone; do not really know how to 'like' someone; and, definitely do not know how to love someone or are affectionate only if they want something.

Kids just left for sleepaway camp? See how their letters from home measure up to the humorous missives in the new book "P.S. I Hate It Here: Kids' Letters From Camp" by Diane Falanga, a collection of more than 150 real letters. - Newsday

'P.S. I Hate It Here' compiles notes home from camp with love - a handsome, actually quite beautiful, little book. - Chicago Tribune

Trust me when I tell you that not only will your kids get a kick out of the amazingly funny letters contained in this book, you and your friends will too. - Chicago Parent Magazine

This collection of kids' actual letters home brings back all the hilarity and homesickness of sleepaway camp. Each image displays children's creative spelling, their pleading to be picked up or for permission to stay "just two more weeks." Parents and seasoned campers will enjoy reading this collection and laughing at (or commiserating with) these familiar dilemmas: "I hate it here! The letter before this about me starting to have fun was not true ..." - San Diego Family Magazine

25 Foods Kids Hate - Fiona Faulkner 2013-03-01

With bookshops full of 'family-friendly' recipe books, what do you if your child won't even touch a tomato, let alone have one on their plate? Fussy eating is the bane of many parents' lives and is an age-old problem. Fiona Faulkner, also known as the 'Toddler Chef', reveals the tricks and recipes that have transformed her own children's eating habits and those of countless others at her popular
workshops. Her techniques allow children to experiment with food at their own pace - and with a relaxed and fun attitude. The 25 foods chosen are those that many children (and consequently parents!) struggle with - from pulses to spinach to fish. Each 'food' has information on why you should be eating it, how to introduce it, recipes, tips and tricks as well two deliciously simple recipes. A 'gourmet for grown-ups' feature for each recipe also shows how you can adjust the recipe to appeal to more adult tastes. "25 Foods Kids Hate" offers a humorous and down-to-earth approach - with recipes and techniques that actually work.

I Hate Everyone-Naomi Danis 2018-05 'I Hate Everyone'. In our worst moods, it's a phrase you just want to shout out loud, even if deep down, you don't really mean it. Set at a birthday party, the disgruntled first-person narration portrays the confusing, often contradictory feelings that can sometimes make it impossible to be nice - particularly when what you might need most is for someone to be nice to you. A gorgeous, poetic contemplation, sure to elicit a reaction from readers. A worthy successor to Alexander and the Terrible, Horrible No-Good Very Bad Day.

Childfree by Choice-Dr. Amy Blackstone 2019-06-11 From Dr. Amy Blackstone, childfree woman, co-creator of the blog we're {not} having a baby, and nationally recognized expert on the childfree choice, comes a definitive investigation into the history and current growing movement of adults choosing to forgo parenthood: what it means for our society, economy, environment, perceived gender roles, and legacies, and how understanding and supporting all types of families can lead to positive outcomes for parents, non-parents, and children alike. As a childfree woman, Dr. Amy Blackstone is no stranger to a wide range of negative responses when she informs people she doesn't have--nor does she want--kids: confused looks, patronizing quips, thinly veiled pity, even
outright scorn and condemnation. But she is not alone in opting out when it comes to children. More people than ever are choosing to forgo parenthood, and openly discussing a choice that’s still often perceived as taboo. Yet this choice, and its effects personally and culturally, are still often misunderstood. Amy Blackstone, a professor of sociology, has been studying the childfree choice since 2008, a choice she and her husband had already confidently and happily made. Using her own and others' research as well as her personal experience, Blackstone delves into the childfree movement from its conception to today, exploring gender, race, sexual orientation, politics, environmentalism, and feminism, as she strips away the misconceptions surrounding non-parents and reveals the still radical notion that support of the childfree can lead to better lives and societies for all.

The Children's Story—James Clavell 2014-11-12 It was a simple incident in the life of James Clavell—a talk with his young daughter just home from school—that inspired this chilling tale of what could happen in twenty-five quietly devastating minutes. He writes, "The Children's Story came into being that day. It was then that I really realized how vulnerable my child's mind was —any mind, for that matter—under controlled circumstances. Normally I write and rewrite and re-rewrite, but this story came quickly—almost by itself. Barely three words were changed. It pleases me greatly because I kept asking the questions... Questions like, What's the use of 'I pledge allegiance' without understanding? Like Why is it so easy to divert thoughts? Like What is freedom? and Why is so hard to explain? The Children's Story keeps asking me all sorts of questions I cannot answer. Perhaps you can—then your child will...."

Why Don't Students Like School?—Daniel T. Willingham 2009-06-10 Easy-to-apply, scientifically-based approaches for engaging
students in the classroom
Cognitive scientist Dan Willingham focuses his acclaimed research on the biological and cognitive basis of learning. His book will help teachers improve their practice by explaining how they and their students think and learn. It reveals the importance of story, emotion, memory, context, and routine in building knowledge and creating lasting learning experiences. Nine, easy-to-understand principles with clear applications for the classroom includes surprising findings, such as that intelligence is malleable, and that you cannot develop "thinking skills" without facts. How an understanding of the brain's workings can help teachers hone their teaching skills "Mr. Willingham's answers apply just as well outside the classroom. Corporate trainers, marketers and, not least, parents - anyone who cares about how we learn - should find his book valuable reading." —Wall Street Journal

Parent You Hate! - Deborah Gilboa, MD 2014-08-18 Get the Behavior You Want... Without Being the Parent You Hate! is a roadmap of quick, concrete strategies to help parents use everyday opportunities to create respectful, responsible, and resilient children between the ages of 18 months and 12 years without screaming or nagging. With Get the Behavior You Want... Without Being the Parent You Hate! you will know how to eliminate the behaviors you don't want while fostering the behaviors you do want like pitching in around the house, pleasant table manners, managing money, finishing multiple-step assignments, taking risks, asking for help, and coping with bad news. With today's busy parents in mind, each concise chapter provides easy-to-implement action steps and examples of how to teach respect, responsibility, and resilience plus ways to immediately address tantrums and unacceptable behavior while avoiding future conflicts down the road. Dr. G provides easy ways to modify the advice for children at different developmental
stages, ranging from toddlers through kids ready to finish middle school. A hands-on, grab-me-for-a-few-minutes resource, Get the Behavior You Want...Without Being the Parent You Hate! will help parents who are struggling to get to bedtime without tears; parents who want to shop at Target without hearing constant whining and pleading; and parents who want someone to normalize their experience and say, "Yes, this happens. Here's what you can do." Upbeat, lively, and humorous, this book answers parents' most frequent questions and eliminates the guilt and guesswork out of raising a great kid.

We Don't Hate Mondays Anymore - Shelly-Ann Harris

2015-12-11 Children now have a new exciting wholesome storybook to enjoy over the holidays and beyond with the publication of the new title We Don't Hate Mondays Anymore. Published by Breadknife Productions under its new Peculiar Kids series, We Don't Hate Mondays Anymore is the compelling story of how best friends, Jaime and Joanna experience and work through the troubling issue of bullying. "We wanted to address the universal issue of bullying in a way that children would both enjoy and learn from," says Author and award-winning writer, Shelly-Ann Harris. Harris who is also the Editorial Director of Family and Faith Magazine and a Board Director at the Women's Resource and Outreach Centre says the book is ideal for children from all cultures and nationalities. The children's publication was positively reviewed by children and edited by veteran elementary school teacher Ermin Mair. "We Don't Hate Mondays Anymore is exciting and empowering. It is a fun read for children, "Mair says, who has taught children in the United States and Jamaica for over 30 years. "When I started reading I couldn't put it down," she adds.

How Hattie Hated Kindness - Margot Sunderland

2017-07-05 The titles in this extraordinary series are a
vital resource. Nine practical
guidebooks, each with an
accompanying beautifully
illustrated storybook, have
been written to help children
(aged 4-12) think about and
connect with their feelings.
These guides and stories
enable teachers, parents and
professionals to recognise the
unresolved feelings behind a
child's behaviour and to
respond correctly to help.
How Hattie Hated Kindness is
a story for children locked in
rage or hate: (A story for
children locked in rage or
hate). Hattie lives by herself
on an island. She likes sharks,
and crabs and stinging
centipedes. She likes anything
hard and spiky. Lots of people
try to bring kindness to Hattie
on her island, but each time
she is very horrid to them,
smashing and spoiling
everything they try to do for
her. So after a while they all
stop coming to the island.
Hattie is very alone. So she
sits by the water's edge and
tries to figure out why she
hates love and loves hate. She
thinks it must be because she
is a very bad girl indeed. But
the lapping water-over-her-
toes helps Hattie to
understand that because
she'd been a very sad and
frightened little girl in a too
hard world, she had become
hard too, so that the awful
fear and the awful pain would
go away. The lapping-water-
over-her-toes helps Hattie to
move from cruel to kind. In
the end, Hattie builds a
bridge to the warm and cosy
world across the water.

Dear Child, People May
Hate You....-Savannah Walker
2020-09 Dear Child, People
May Hate You? is meant to be
a conversation tool for
parents and educators to use
with their children to have
open and honest discussions
about hate in this world.
Discussing trivial topics like
racism and prejudice doesn't
have to be daunting thanks to
this book. It breaks down the
nuisances surrounding hate
and ignorance, and puts into a
context that children can
easily digest. This children's
book is truly a love letter to
our nation's children and will
hopefully change the world.
Perfect for ages 0-12yrs.

CHILDREN WHO HATE-
The Hate Factory - Erica Carle
2008-09-01 Mountains Move When We Pray
Fervently is not just another book about prayer or asking God to move our mountains of personal problems. The author has incorporated examples, definitions, and incidents to show several ways we should effectively and fervently pray. Without a fervent prayer life, mountains represent our lack of blessings. The author takes us back to her early childhood days and relates some of her upbrings and experiences that led her down the 'Spiritual Path,' which she still follows today. So as a believer, her godly assignment now is to love, obey God, assist others, and spread the Gospel throughout the world. She found assistance in carrying out her assignment from and through the following guides: Jehovah Jireh - Our Provider; Jehovah Rophe - Our Healer; Jehovah Rohi - Our Shepherd; El Shaddai - Our All-Sufficient One Men ought always to pray and not faint. Fiery prayers keep us alert and vigilant.

Our Emotions and Behaviour - Sue Graves
2015-03-12 Sam is having a bad day and nothing is going right. Dad is too busy to play with him, he doesn't like his lunch and he doesn't enjoy Archie's party. Can Aunt Jen help him to stop feeling so angry This series introduces young children to different aspects of our emotions and behaviour. A fictional story is backed up by suggestions for activities and ideas to talk about, while a wordless storyboard encourages children to tell another story.

Meeting the Needs of Ethnic Minority Children - Kedar Nath Dwivedi
1996 Offering practical guidelines based on research and practice, this book focuses on some of the most topical issues among those working with children from ethnic minorities. Experts from a variety of disciplines look at the various aspects of such work.
The Aggresive Child-Fritz Redl 1957

The Trap-Alan Gibbons 2016-09-08 Terrorism, heroism and everything in between... THE TRAP is a teen thriller about espionage, a missing brother and the ever-raging war on terror by million-copy-selling author, Alan Gibbons. MI5 agent, Kate, receives a tip-off about an asset, who seems too good to be true. Amir and Nasima are trying to make friends at their new school but struggling to keep a terrible secret. A group of jihadists are planning something. And behind it all stands Majid. Brother. Son. Hero. Terrorist. Spanning Iraq, Syria and England, THE TRAP grapples with one of the greatest challenges of our time.

The Win-win Classroom-Jane Bluestein 2009 Use this guide to provide teachers with focused training on building student accountability, ending power struggles with kids, and encouraging student cooperation, motivation, self-management, and on-task behavior.

I Hate to Wait!: Teach Your Kids to Be Patient-Sigal Adler 2018-10-04 Young Harry Monster has waited all year and now Halloween is almost here. He knows just what he wants to be: a pirate.

Readicide-Kelly Gallagher 2009 Argues that the decline in reading by children in the United States is furthered by schools by focusing on test-taking and focusing solely on academic texts with guidance for educators on how to counteract this trend.
