Dear Lover: David Deida 2004-12-01 Every woman knows the fairy tale: find the right man, give him what he wants and needs, and he'll love you forever. But when the myth you’ve been asked to believe fails to deliver—when you sense you’ve been settling for far less than you know in your heart is possible—how do you attract and keep a man capable of meeting what you most passionately yearn for? In Dear Lover, David Deida explores every aspect of the feminine practice of spiritual intimacy, from sexuality and lovemaking to family and career to emotions, trust, and commitment. Written as a collection of letters from a man to his dear lover, here is this internationally acclaimed writer’s invitation to practice love as a living art, as you discover: Why your man is always your choice—and how to pick the man of deep integrity who will satisfy the needs of your body, heart, and spirit “Sexual essence” and the three stages of loving: how to understand your fluctuating capacity to experience divine connection with another Knowing when to end a relationship and how to deal with the “him-shaped void” your absent man leaves behind Daily exercises to help you and your partner move from separation to openness in two-bodies devotional trust Ultimately, what every woman wants it to give and receive love fully. Whether you’re partnered or alone, Dear Lover reveals that “your love is the same love that years to open at everybody’s heart. You will attract and inspire a man as willing and able to open as you are. Constant yearning is the call to open and give yourself to all as love’s offering.” Excerpt Dear Reader, I offer the following chapters to you as if you were my lover. Although you may be single or married, I offer these words to you as I would do my beloved. We may never meet, but I want to give you the opportunity to feel your heart through mine. For years, I have taught workshops around the world, opening with women and men while they share their deepest heart’s desires. It seems we often come to know ourselves most deeply through the heart of someone who loves us, who is willing to open and see us as we truly are, who is willing to listen and feel our heart’s yearning. To give and receive love fully—this is our heart’s true desire, yours and mine. The yearning you feel in your heart is the same yearning that everyone feels. By feeling your heart’s yearning through mine, I hope you will come to know yourself more deeply through the many hearts that have opened together in trust and allowed these words to emerge. All hearts want to open to God, or the boundless flow of divine love. You may or may not be a religious person, and still your heart years to open without bounds, to be seen and to be offered without limits. This is what I mean by “open to God”—to open and feel everything and everyone’s heart as a divine expression of love. Praise for Dear Lover “In the area of sacred intimacy, David Deida is holding a lightning bolt. He sheds an astonishing light.” —Marianne Williamson, Author of A Woman’s Worth “As a woman, I’ve never felt so understood and validated. Finally, a clear and brilliant guide to unraveling the mystery of relationships.” —Marcia Shimoff, Co-author of the New York Times bestseller Chicken Soup for the Woman’s Soul “I feel that Deida has reached a new level of poetic genius in his writing, and his understanding of feminine psychology astounds me.” —Miranda Shaw, PhD. Author of Passionate Enlightenment: Women in Tantric Buddhism “We all taste God, taste Goddess, taste pure spirit in those moments of sexual rapture, and wise men and women have always used that rapture to reveal Spirit’s innermost secrets. David Deida is such a wise one.” —Ken Wilber, Author of Grace and Grit

Co-operation Between the Sexes-Alfred Adler 1980

What is Masculinity? J. Arnold 2011-06-14 Across history, the ideas and practices of male identity have varied much between time and place: masculinity proves to be a slippery concept, not available to all men, sometimes even applied to women. This book analyses the dynamics of ‘masculinity’ as both an ideology and lived experience - how men have tried, and failed, to be ‘Real Men’.

The Trouble with Men-David Shields 2019 An honest, brilliant look at one man's marriage and the view it affords for examining relationships between men and women across our culture.

99 Questions You Must Ask a Man Before Sleeping with Him and Definitely Before Having SEX-Armani Valentino 2008-01-01 The great author and lecturer Napoleon Hill taught that one of the main causes of failure was IMPROPER SELECTION OF A MATE IN MARRIAGE. Would you believe a man who grew up the only male in a household full of women, has probably written one of the best (if not the best) books on dating for single people, and definitely for single ladies looking to find the right mate? Well, Armani Valentino’s national bestselling book, 99 Questions You Must Ask a Man Before Sleeping with Him & Definitely Before Having SEX, just might be that book. It is a practical straight forward guide that will leave you enlightened on all levels. The book covers every area of what could possibly come up in a relationship. Big Boom, Steve Harvey’s best friend and Bodyguard, Best-selling author and the self-proclaimed “Bodyguard for Women’s Heart’s” says, “Armani is right on point. His generation and others need this book.” Armani Valentino believes that his book is a great tool for those wanting to be in a relationship and for those already involved. He says, “Most of the time people don’t really know what to ask. Many people like to avoid asking questions for fear of finding out something they don’t want to know. The
sad part about this is, STD’s are on the rise. Even if you don’t contract an STD, you may get involved with a total basket case that might abuse you emotionally and physically. These things along with so many other possibilities are usually due to not asking enough of the right questions before you get emotionally and sexually involved.” Some women feel that the man will lie to them anyway. Therefore, Mr. Valentino has included his chapter, “The Art of Asking Questions.” This chapter teaches you how to become an interview expert.

Fortune 500 companies use this process to choose the best candidates. Armani feels that women should treat themselves as if they are Fortune 500 companies. Armani Valentino says, “My book is a spiritually based book that all people can benefit from in some way. No matter if you are single, dating, engaged, and even married. You will find something in the book that will enrich your life or others around you.” He also says, “The non-physical side of SEX is something that we need to talk more openly about. I think my book helps individuals to do this. That’s why Chapter 4 of the book is probably my favorite. Chapter 4 is “Love & SEX…The Two Most Powerful Energies and How Not to Get the Two Confused.” The 3-year National Best-seller, “99 Questions,” written by one of the nation’s premiere dating/relationship experts, Armani Valentino, is now available in all ebook formats. “The Most USEFUL DATING BOOK on the market!” –DFW Singles Magazine

“Armani Valentino’s book, 99 Questions You Must Ask a Man Before Sleeping with Him & Definitely Before Having SEX, is one book that you must have in your library.” - Street Pop Magazine This book has helped thousands get a better understanding of the person that is pursuing them or the one that they are pursuing. Many women and men, both young and seasoned, have purchased numerous copies of this book for themselves or a loved one. Everyone knows someone that can benefit from this book. Armani Valentino says, “Most of the time we think we know what to ask before getting involved with someone. Although we probably do, we don’t have that information in-front of us in a manner like this when we need it. Therefore, my book acts a reference guide to help in the process. It’s kind of like dating insurance.”

Sex Is Not A Natural Act & Other Essays-Leonore Tiefer 2018-03-09 Revisits and updates the centrality of the social construction of sexuality, especially in the age of Viagra, FSD (female sexual dysfunction) and the media saturation of sex. Leonore Tiefer is one of the foremost sexologists working in the United States today; she is a well-known and respected scholar who writes engagingly and humorously about a wide array of topics in sexuality to appeal to both students and general readers. Revised and updated with new pieces on the medicalization of sex, FSD (female sexual dysfunction) and the politics of sex, as well as classic pieces found in the original edition, such as “Am I Normal?: The Question of Sex.”

Gendered Outcasts and Sexual Outlaws-Christopher N. Kendall 2006 A candid re-examination of what it means to be a gay man Gendered Outcasts and Sexual Outlaws: Sexual Oppression and Gender Hierarchies in Queer Men’s Lives explores the impact and effects of sexual oppression and power relationships within the gay male community. This controversial book features thoughtful and provocative essays from authors, educators, and activists who challenge the stigmatization and issues of power they face as gay men who don’t fit the masculine mold formed by the gay porn industry and the media. Their poignant words reveal the sting of finding discrimination and alienation where least expected as the rise of sexualized hyper-masculinity, racism, and femiphobia among gay men has created a need to re-examine appropriate gay male identity and sexuality. Editors Christopher Kendall and Wayne Martino, who have written about and researched the negative side of gay male pornography, the links between sexism and homophobia, gay male suicide, and the impact of masculinity and sexuality on gay men, divide the book’s powerful essays into two sections: “The Dynamics of Sex/Gender Oppression” and “When Gender Harms and Oppression Becomes the Norm.” The first section challenges the assumptions that form the basis of gay male identity. Relying on the work of radical feminists and cultural theorists, the authors explore the meaning of “gender” in a society that expects men to act according to a masculine ideal—and punishes them when they don’t. The book’s second section analyzes the reality of gender oppression caused by inequality and sexualized gender hierarchies. Contributors discuss what can happen when gay men take seriously the sexual role models that are offered and what happens if they dare to reject them. Gendered Outcasts and Sexual Outlaws examines: effeminacy in gay men’s lives the idealization of the gay male body straight-acting masculinities and the rejection of the feminine narcissism, masculinity, and body absorption racialized masculinity the feminization of the Asian gay male in gay pornography gay male rape domestic violence and much more! Gendered Outcasts and Sexual Outlaws is an eye-opening re-evaluation of what being “gay” means, why being gay is still considered socially unacceptable, and how the gay male community can respond to systemic stigmatization and hate.

Gender, Power, and Communication in Human Relationships-Pamela J. Kalbfleisch 2012-12-06 This edited volume establishes a state-of-the-art perspective on theory and research on gender, power, and communication in human relationships. Both theoretical essays and review chapters address issues relevant to female and male differences in power, dominance, communication, equality, and expectations/beliefs. All chapter contributors share two commonalities. First, each provides a 1990s assessment of power and equality in female and male relationships. Second, each reviews respective programs of research and focuses attention on the relevance of this research to understanding the relationships of women and men. Unique because it incorporates a multidisciplinary approach to the study of gender and the communication of power in human relationships, this book includes the original work of intellectuals with national and international reputations in the social sciences. The volume provides both scholastic breadth and centralized treatment of issues that form the very foundation of social and personal relationships. It will appeal to scholars working in the disciplines of communication and psychology as well as other areas of social science research.

The Making of Anti-Sexist Men-Harry Christian 2003-08-29 The idea of the “anti-sexist man” is often treated with scorn by feminists and hesitantly by men. People are suspicious and unsure about the whole idea. Based around interviews with eight men who have responded positively to feminism, this book provides the reader with the first full length discussion of anti-sexist male attitudes. The interviewees tell their life stories, their ‘making’ and reveal their differences to male chauvinists. Timely and sincere, The Making of Anti-Sexist Men will appeal to all those interested in changing oppressive gender attitudes and social structures.

Beasts of Prey-Orna Gadish 2016-04-01 "Beasts of Prey" asserts that men cannot be bound in lengthy relationships for good without
crossing the line from time to time. The writer refers to well established theories, social, and biological research on men's hormonal and psychological structures to show how men's inclination to have sex with multiple women outside their bonds is at the heart of the matter. "Beasts of Prey" delves into the basics of males' cheating habits, tactics and schemes, and their sexual, social and cultural monopoly in the world. Following history of relationships from ancient times to the Internet revolution of our postmodern generation, "Beasts of Prey" exposes the stereotypes that lurk beneath the surface of male manipulated societies and their cultural taboos.

How Sex Got Screwed Up: The Ghosts that Haunt Our Sexual Pleasure - Book Two-Jon Knowles 2019-03-31 The ghosts that haunt our sexual pleasure were born in the Stone Age. Sex and gender taboos were used by tribes to differentiate themselves from one another. These taboos filtered into the lives of Bronze and Iron Age men and women who lived in city-states and empires. For the early Christians, all sex play was turned into sin, instilled with guilt, and punished severely. With the invention of sin came the construction of women as subordinate beings to men. Despite the birth of romance in the late middle ages, Renaissance churches held inquisitions to seek out and destroy sex sinners, all of whom it saw as heretics. The Age of Reason saw the demise of these inquisitions. But, it was doctors who would take over the roles of priests and ministers as sex became defined by discourses of crime, degeneracy, and sickness. The middle of the 20th century saw these medical and religious teachings challenged for the first time as activists, such as Alfred Kinsey and Margaret Sanger, sought to carve out a place for sexual freedom in society. However, strong opposition to their beliefs and the growing exploitation of sex by the media at the close of the century would ultimately shape 21st century sexual ambivalence. Book Two of this two-part publication traces the history of sex from the Victorian Era to present day. Interspersed with 'personal hauntings' from his own life and the lives of friends and relatives, Knowles reveals how historical discourses of sex continue to haunt us today. This book is a page-turner in simple and plain language about 'how sex got screwed up' for millennia. For Knowles, if we know the history of sex, we can get over it.

Mapping Male Sexuality-Elizabeth Dell 2000 Essays on attitudes to same sex relationships in nineteenth century England. The essays examine writers such as Byron, George Eliot, Wilde, Shaw and others.

Conscious Men-John Gray 2016-02-12 Conscious Men guides a man to look within and discover his purpose and mission; to be in touch with his feelings but not ruled by his feelings; to live a life that is in pursuit of his path, while honoring the commitments he made during that pursuit. This book is a practical roadmap to support every man to discover and live his unique calling. Conscious Men explores 12 qualities of the New Masculinity. Each chapter offers a vivid portrait of each quality, with insights about how it is influenced by biochemistry. It presents a road map for the challenges men face today in living their fullest potential, as well as dozens of suggested practices for how to develop each quality. The book also has a "To Women" section for each chapter: offering women insight about how to recognize a good and trustworthy man, as well as how to support a man to bring the best out of himself.

Foucault and Religion-Jeremy Carrette 2002-09-11 Foucault and Religion is the first major study of Michel Foucault in relation and response to Religion. Jeremy Carrette offers us a challenging new look at Foucault's work and addresses a religious dimension that has previously been neglected. We see that prior to Foucault's infamous unpublished volume in the 'History of Sexuality', on the theme of Christianity, there is a complex religious sub-text which anticipates this final unseen work. Jeremy Carrette argues that Foucault offers a twofold critique of Christianity by bringing the body and sexuality into religious practice and exploring a political spirituality of the self. He shows us that Foucault's creation of a body theology through the death of God, reveals how religious beliefs reflect the sexual body, questions the notion of a mystical archaeology and exposes the political technology of confession. Anyone interested in understanding Foucault's thought in a new light will find this book a truly fascinating read.

The Will to Change-bell hooks 2004-01-06 With the courage, honesty, and compassion that have made her one of America's most provocative authorities on modern culture, bell hooks takes on the interior lives of men and answers their most intimate questions about love. Everyone needs to love and be loved -- even men. In this groundbreaking book, bell hooks gets to the heart of the matter and shows men how to express the emotions that are a fundamental part of who they are -- whatever their age, ethnicity, or cultural persuasion. Written in response to the author's in-depth discussions with men who were inspired by her trilogy, All About Love, Salvation, and Communion, bell hooks's The Will to Change addresses maleness and masculinity in new and challenging ways. With trademark candor and fierce intelligence, hooks answers the most common concerns of men, such as fear of intimacy and loss of their patriarchal place in society. She believes men can find the way to spiritual unity by getting back in touch with the emotionally open part of themselves. Only through this liberation will they lay claim to the rich and rewarding inner lives that have historically been the exclusive province of women. Men can access these feelings by giving themselves permission to be vulnerable. As they grow more comfortable and start believing that it's okay to feel, to need, and to desire, they will thrive as equal partners in their intimate relationships. Whether they are straight or gay, black or white, The Will to Change helps men to reclaim the best part of themselves.

Le Deuxième Sexe-Simone de Beauvoir 1980 The classic manifesto of the liberated woman, this book explores every facet of a woman's life.

The English Writings of Rabindranath Tagore: A miscellany-Rabindranath Tagore 1994 This Volume Is A Collection Of Different
The Hite Report on Male Sexuality - Shere Hite 1982 "A riveting document!" NEWSWEEK Over 7,000 men, ages thirteen to ninety-seven, speak out about: What they think of women—as wives, lovers, and friends; why a majority of men like marriage but are not faithful; what they think about love—and why they often distrust it; how they feel about giving women clitoral stimulation; why they often masturbate even with a regular sex life...and more.

GENDER DISCOURSE IN INDIAN WRITINGS IN ENGLISH - Bijender Singh 2014-08-05 The book is a collection of 22 research papers/articles on the theme of gender from Indian English Writings. It is a critical study of the works of Shashi Deshpande, Anita Desai, Nayantara Sahgal, Krishna Sobti, Khushwant Singh, Bharati Mukherjee, Indira Goswami, Rama Mehta, Arundhati Roy, Kamala Das, Nissim Ezekiel, A. K. Ramanujan, Manju Kapur and Shobha De. The roots of gender discrimination stem from the patriarchal hegemony of our society. All forms of oppression, suppression, subjugation and exploitation of women have been projected through the analytical lenses by the erudite research-scholars and experts from the texts of Indian Writings in English.

Writings of Persuasion and Dissonance in the Great War - 2016-03-31 Focussing on specific writers and texts, Writings of Persuasion and Dissonance in the Great War examines literary responses to the Great War. It underscores the futility of imposing a single perspective on such response and also enquires into the uncertainties of memory.

The Science of Intimate Relationships - Garth J. O. Fletcher 2019-08-19 Provides a unique interdisciplinary approach to the science of intimate human relationships. This newly updated edition of a popular text is the first to present a full-blooded interdisciplinary and theoretically coherent approach to the latest scientific findings relating to human sexual relationships. Written by recognized leaders in the field in a style that is rigorous yet accessible, it looks beyond the core knowledge in social and evolutionary psychology to incorporate material and perspectives from cognitive science (including brain-imaging studies), developmental psychology, anthropology, comparative psychology, clinical psychology, genetic research, sociology, and biology. Written by an international team of acclaimed experts in the field, the Science of Intimate Relationships offers a wealth of thought-provoking ideas and insights into the science behind the initiation, maintenance, and termination of romantic relationships. The 2nd Edition features two new chapters on health and relationships, and friends and family, both of which shed new light on the complex links among human nature, culture, and romantic love. It covers key topics such as mate selection, attachment theory, love, communication, sex, relationship dissolution, violence, mind-reading, and the relationship brain. Provides a coherent and theoretically integrative approach to the subject of intimate relationships. Offers an interdisciplinary perspective that looks beyond social and evolutionary psychology to many other scientific fields of study. Includes two new chapters on 'Relationships and Health' and 'Friends and Family', added in response to feedback from professors who have used the textbook with their classes. Presented by recognized leaders in the field of relationships.

Chocolate and Other Writings on Male Homoeroticism - Pandey Bechan Sharma 2009-02-06 This volume makes available for the first time in English the work of a significant Indian nationalist author, Pandey Bechan Sharma, better known in India as “Ugra,” meaning “extreme.” His book Chocolate, a 1927 collection of eight stories, was the first work of Hindi fiction to focus on male same-sex relations, and its publication sparked India’s first public debates about homosexuality. Many prominent figures, including Gandhi, weighed in on the debates, which lasted into the 1950s. This edition, translated and with an introduction by Ruth Vanita, includes the full text of Chocolate along with an excerpt from Ugra’s novel Letters of Some Beautiful Ones (also published in 1927). In her introduction, Vanita situates Ugra and his writings in relation to Indian nationalist struggles and Hindi literary movements and fads, and she analyzes the controversies that surrounded Chocolate. Those outraged by its titillating portrayal of homosexuality labeled the collection obscene. On the other side, although no one explicitly defended homosexuality in public, some justified Ugra’s work by arguing that it was the artist’s job to educate through provocation. The stories depict male homoeroticism in quotidian situations: a man brings a lover to his disapproving friend’s house; a good-looking young man becomes the object of desire at his school. The love never ends well, but the depictions are not always unsympathetic. Although Ugra claimed that the stories were aimed at suppressing homosexuality by exposing it, Vanita highlights the ambivalence of his characterizations. Cosmopolitan, educated, and hedonistic, the Hindu and Muslim men he portrayed quote Hindi and Urdu poetry to express their love, and they justify same-sex desire by drawing on literature, philosophy, and world history. Vanita’s introduction includes anecdotal evidence that Chocolate was enthusiastically received by India’s homosexual communities.

Come as You Are - Emily Nagoski 2015-03-03 An essential exploration of why and how women’s sexuality works—based on groundbreaking research and brain science—that will radically transform your sex life into one filled with confidence and joy. Researchers have spent the last decade trying to develop a “pink pill” for women to function like Viagra does for men. So where is it? Well, for reasons this book makes crystal clear, that pill will never be the answer—but as a result of the research that’s gone into it, scientists in the last few years have learned more about how women’s sexuality works than we ever thought possible, and Come as You Are explains it all. The first lesson in this essential, transformative book by Dr. Emily Nagoski is that every woman has her own unique...
sexuality, like a fingerprint, and that women vary more than men in our anatomy, our sexual response mechanisms, and the way our bodies respond to the sexual world. So we never need to judge ourselves based on others' experiences. Because women vary, and that's normal. Second lesson: sex happens in a context. And all the complications of everyday life influence the context surrounding a woman’s arousal, desire, and orgasm. Cutting-edge research across multiple disciplines tells us that the most important factor for women in creating and sustaining a fulfilling sex life, is not what you do in bed or how you do it, but how you feel about it. Which means that stress, mood, trust, and body image are not peripheral factors in a woman’s sexual wellbeing; they are central to it. Once you understand these factors, and how to influence them, you can create for yourself better sex and more profound pleasure than you ever thought possible. And Emily Nagoski can prove it.

Couples Guide to Introducing Sex Toys-Cecilia Randul 2017-04-26 Introducing sex toys is perfect guide for those looking to liven up their sex lives by hitting hot spots more easily and add new twists to classic oral and sex positions. This book will guide you to explore the colorful world of vibrating, orgasm-givers at the same time reassuring you that there is nothing wrong with aiding for more orgasms alone or with your partner. Whether you’re a curious beginner or an advanced enthusiast, everything you need to know about introducing, choosing, enjoying, and caring for every sort of bedroom accessory is here. This book presents much-needed information and gentle encouragement to a wide range of readers, both female and male Inside you will learn; - best ways to introduce sex toys in your relationship -clear understanding of both the male and female sexual bodies - the concept of orgasm, enhancing, benefits, and an end to faking it - detailed look at sex toys from dildos, vibrators, remote controlled, beads and balls, and toys specially designed for men - lastly how to use the toys in some of the classic sex positions Practical and authoritative, yet playful and accessible, reading this book with your partner will surely open new flood gates of sexual pleasure you never thought possible thus stimulating your very own creativity and ingenuity So what are you waiting for?

Indian Writings in English-Binod Mishra 2006 Since Its Inception In 19Th Century, Indian Writing In English Has Coruscated Worldwide And The English Works Of Indian Authors Have Been Highly Appreciated Even By The People Of English-Speaking Nations. Not Remaining Confined To The Restricted Gamut Of Themes And Style Of Olden Days, Indian Writing In English Has Made Its Dent In Myriad Human Concerns At The Hands Of Great Number Of Indian Writers.In The Present Anthology, A Sincere Attempt Has Been Made To Provide An In-Depth Study Of The Works Of Reputed Indian Authors Like Bhabani Bhattacharya, Amitabh Ghosh, Shashi Tharoor, Raj Kamal Jha, Arundhati Roy, Jhumpa Lahiri, Shobha De, Manju Kapur, Anita Nair To Name But A Few. Aiming At Encouraging Variegated Opinions Without Conforming To Fixed And Rigorous Critical Canons, The Anthology Not Only Focuses On Novels But Also On The Other Forms Of Literature That Are Brilliant Evocation Of Historical, Philosophical And Social Issues Of Great Importance. It Also Traverses Through Psychological And Subliminal Issues. Contributors To The Present Anthology Have Explored The Varied Aspects Of Literary Works Of The Noted And Award-Winning Writers, Besides Analysing Critically And Impartially The Question Of Equal Rights For Women Raised By The Eminent Indian Writers In Their Works. It Is Hoped That Indian Writings In English Would Prove Indispensable For The Students Of English Literature And Would Even Appeal To Those Interested In The English Works Of Indian Writers. It Will Undoubtedly Enkindle In Readers An Avid Interest Towards Their Works And Also Help Them Sharpen Their Critical Understanding With Its Ample Food For Thought.

The Overflowing of Friendship-Richard Godbeer 2009-03-15 Using an array of personal and public writings, The Overflowing of Friendship will transform our understanding of early American manhood as well as challenge us to reconsider the ways we think about gender in this period.

Selected Writings Volume 1-Christopher Alan Anderson 2012-09-01 A collection of the author's earlier writings which includes: I Am: A Personal History--The Formation of a Sexual Consciousness; The New Trinity; Man and Woman Forever; The Balanced Budget: A Way of Life; Why I Am Not A(n): The Defense Rests: A Freeman's Bill of Rights; The Abyss and Sexual Creation; Choice; and Thinking About Thinking. "We have yet to walk upon the bridge of our sexuality because we have yet to know what our unique sexualities, male as to female, constitute in regard to each other in this creative enterprise called life. Mankind has yet to discover that deepest part of himself, his or her distinct sexual purpose as male or female. Let us know this now. Let us know the essence of male and the essence of female and their purpose together in existence. I say, to know this is to know all things." Selected Writings Author Bio: Christopher Alan Anderson (1950 - ) received the basis of his education from the University of Science and Philosophy, Swannanoa, Waynesboro, Virginia. He resides in the transcendental/romantic tradition, that vein of spiritual creativity of the philosopher and poet. His quest has been to define and express an eternal romantic reality from which a man and a woman could together stand in their difference and create a living universe of procreative love. Mr. Anderson began these writings in 1971. The first writings were published in 1985. On a personal note, when Mr. Anderson was asked to describe the writings and what he felt their message was he responded, "Spiritual procreation. Mankind has yet to distinguish the two sexes on the spiritual level. In this failure lies the root of our problems and why we cannot yet touch the eternal together. The message of man and woman balance brings each of us together in love with our eternal other half right now." keywords: Sexuality, Male, Female, Sexual Purpose, Creation, Balance

Travel Writings-Matsuo Basho 2020-04-20 "The travel writings of Matsuo Bashō are of enormous literary importance, and so it is a joy to see them collected in this compact volume, in translations of exemplary elegance, faithfulness, and accessibility. The annotations are especially valuable: they show a solid grasp of the author's life, work, and times, and provide rich and detailed background information about allusions to Chinese and Japanese classics. Along with the high quality of the translations themselves, this thorough commentary makes the book a significant scholarly resource and will help readers appreciate the density and delicacy of Basho’s writing. A very welcome addition to the English-language literature on one of the central poets of the Japanese tradition." —David B. Lurie, Columbia University
Wild Nights—David Deida 2005-01-01 "Wild Nights cuts through the illusions of modern spirituality into the depth of life before God. Impure, soaked with all bodily liquids, pierced by clear recognition of death, wide opened with the power of love—living as love—in any moment of daily life. If you do not choose to be a hermit, if you want to practice awakening within relationships, in the realm where sex and death are such powerful moments—you’d better read this book, and not only once."—Rabbi Ohad Ezrahi, author of Paths of Empowerment Meet Mykonos, both scurrilous madman and the voice of truth. Wild Nights presents David Deida’s remarkable account of his days with the unconventional teacher who revealed to him the deeper wisdom of the erotic path to the divine. From our very first encounter to the "burden of bliss" that is his parting gift, Mykonos challenges our understanding of what makes a spiritual life. Brutally candid, he offers his teaching to anyone ready to listen, with an uncanny ability to see into the hearts and minds of his students better than they can own. Charged with provocative scenes of unbridled passion and play, Wild Nights explodes with spiritual insights into our choice to "open as love, or close and suffer"; yogic sexual techniques including circular breathing and expanding feeling beyond the self and into the heart of a lover; and why, for some, full sexual expression is a requirement of spiritual maturation. For its honest depiction of the spiritual teacher and student relationship—and the questions it demands we ask about our own sexuality—Wild Nights proclaims David Deida a guiding light in the often cloudy realm of sex and spirit.

Men, Women, and the Mystery of Love—Edward Sri 2007 Unpacks the contents of Pope John Paul II’s Love and Responsibility, making it accessible to every reader by emphasizing the work’s down-to-earth style and helping readers appropriate practical information on love and relationships. Original.

The 80/80 Marriage—Nate Klemp PhD 2021-02-09 An accessible, transformative guide for couples seeking greater love, connection, and intimacy in our modern world. Nate and Kaley Klemp were both successful in their careers, consulting for high-powered companies around the world. Their work as mindfulness and leadership experts, however, often fell to the wayside when they came home in the evening, only to end up fighting about fairness in their marriage. They believed in a model where each partner contributed equally and fairness ruled, but, in reality, they were finding that balance near impossible to achieve. From this frustration, they developed the idea of the 80/80 marriage, a new model for balancing career, family, and love. The 80/80 Marriage pushes couples beyond the limited idea of “fairness” toward a new model grounded on radical generosity and shared success, one that calls for each partner to contribute 80 percent to build the strongest possible relationship. Drawing from more than one hundred interviews with couples from all walks of life, stories from business and pop culture, scientific studies, and ancient philosophical insights, husband-and-wife team Nate and Kaley Klemp pinpoint exactly what’s not working in modern marriage. Their 80/80 model of marriage provides practical, powerful solutions to transform your relationship and open up space for greater love and connection.

The Evolution of Human Pair-Bonding, Friendship, and Sexual Attraction—Michael R. Kauth 2020-11-29 The Evolution of Human Pair-Bonding, Friendship, and Sexual Attraction presents an evolutionary history of romantic love, male-female pair-bonding, same-sex friendship, and sexual attraction, drawing on sexuality research, gay and lesbian studies, history, literature, anthropology, and evolutionary science. Employing evolutionary theory as a framework, close same-sex friendship is examined as an adaptive trait that has harnessed love, affection, and sexual pleasure to navigate same-sex environments for both men and women, ultimately benefitting their reproductive success and promoting the inheritance of traits for friendship. Chapters consider the desire to form close same-sex friendships and ask if this is embedded in our biology, concluding that most humans have the capacity to form loving, meaningful, and sexual relationships with men and women. This book takes on a unique interdisciplinary approach and is essential reading for those studying and working in sexuality research, anthropology, sociology, evolutionary psychology, and gay and lesbian studies. It will also be of interest to marriage and family therapists as well as sex therapists.

Selected Writings--Volume 2—Christopher Alan Anderson 2012-09-11 Four major writings on the man and woman relationship. These writings reflect the maturing of the author’s thoughts revealing the breadth and scope of this metaphysical embodiment. Includes: Mind and Spirit; The Romantic Ideal; The Two Forces of Creation; and Dimensions in Consciousness. "The man and woman relationship is that which is. It shows itself as reality at any point of consciousness/existence, creating through the two forces of male and female. Male and female hold this sexual universe together, securing form and reproducing it, in their creative balance together. Creative balance is their absolute conscious standing. It is their knowledge of truth and their living of love. One man and one woman..." Selected Writings--Volume 2 Author Bio: Christopher Alan Anderson (1950 - ) received the basis of his education from the University of Science and Philosophy, Swannanoa, Waynesboro, Virginia. He resides in the transcendental/romantic tradition, that vein of spiritual creativity of the philosopher and poet. His quest has been to define and express an eternal romantic reality from which a man and a woman could together stand in their difference and create a living universe of procreative love. Mr. Anderson began these writings in 1971. The first writings were published in 1985. On a personal note, when Mr. Anderson was asked to describe the writings and what he felt their message was he responded, "Spiritual procreation. Mankind has yet to distinguish the two sexes on the spiritual level. In this failure lies the root of our problems and why we cannot yet touch the eternal together. The message of man and woman balance brings each of us together in love with our eternal other half right now."

The Evolution of Human Sexuality—Donald Symons 1979-08-30 Anthropology, Sexual Studies, Psychology, Sociology, Gender and Cultural Studies

Refusing to be a Man—John Stoltenberg 2005-07-28 Since its original publication in 1989, Refusing to be a Man has been acclaimed as a classic and widely cited in gender studies literature. In 13 eloquent essays, Stoltenberg articulates the first fully argued liberation theory for men that will also liberate women. He argues that male sexual identity is entirely a political and ethical construction whose advantages grow out of injustice. His thesis is, however, ultimately one of hope—precisely because masculinity is so constructed, it
is possible to refuse it, to act against it and to change. A new introduction by the author discusses the roots of his work in the American civil rights and radical feminist movements and distinguishes it from the anti-feminist philosophies underlying the recent tide of reactionary mens movements.
